DEDICATION

to **The Class of**

L 2020

The number 2020 is rendered in a large, bold font. Each digit is filled with a collage of student photographs. The photos show students in various settings: some are cheering, some are in sports uniforms, and others are in casual attire. The overall theme is student life and memories.

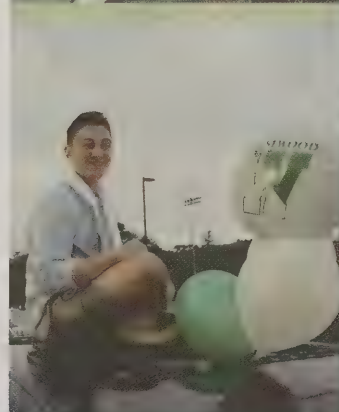

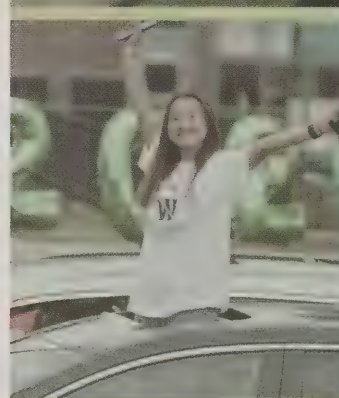

W

The letter W is rendered in a large, bold font. It is filled with a collage of student photographs, similar to the 2020. The photos show students in various settings, including sports events and casual gatherings. The letter W is outlined in a dark color, and the photos are arranged to fit the shape of the letter.

To the Class of 2020,

March 12th, 2020: Your final time at Westwood High School. Not one person thought this would be the last time that you stepped into the place that you have called home for four years. Not one person could have predicted that your senior year would become an online experience. No one person could have predicted that traditions would end, and new ones would arise. Not one person could have predicted that the Class of 2020 would become one of the most resilient group of young adults. But, you made it.

Although the culmination of your senior year was different than years past, these uncertain times do not undermine your immense success. You rose to the occasion, you put on a brave face, you spoke up, and you participated in new traditions. As students, leaders, friends, and classmates, you came together this year to show everyone that no matter what is going on in the world around us, you will be resilient. Rooted in resilience, you stand as a class, forever remembered by your teachers, peers, teammates, and coaches. We will miss you, and we are so incredibly proud of you.

Class of 2020, you are extraordinary!

It has been truly an honor to teach and get to know such a positive, dedicated, thoughtful, and kind group of students. You have a rare mix of drive and humour that is simply inspiring! I cannot wait to see all of the incredible things you will do in this world!

~Ms. Holmes

Congratulations Class of 2020!

Remember to challenge yourself and not settle for what's easy. Stay close to the people you love and who bring out the best in you. Stay in touch and make us proud.

Love,
Ms. Patton

Class of 2020,

Surround yourself with positive people that make you better and make the effort to make those around you better people, but always be yourself. Always try the harder path, you are usually able to do it, but it's ok to fail and you'll never regret trying. I hope your lives are filled with interesting and awesome adventures!

You didn't deserve the cards you were dealt; but we've been impressed by the way you played your hand. We hope that a silver lining in this is that you were able to forge stronger relationships with the people that really matter most in your life.

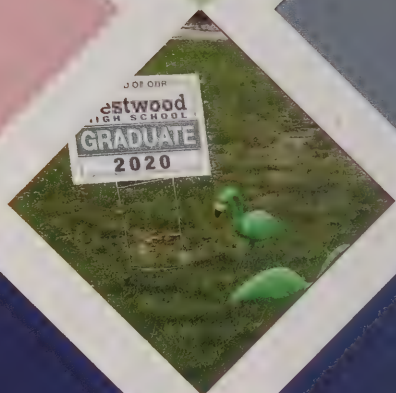

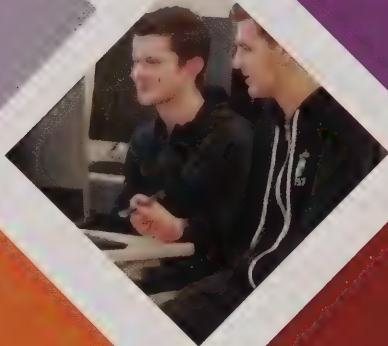

Remember: "Ability is what you are capable of doing. Motivation determines what you do. Attitude determines how well you do it" - Lou Holtz. We can't wait to see and hear about what you accomplish when you get to use the resolve you gained through this. Congrats 2020!

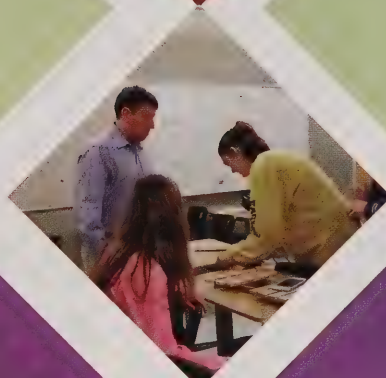

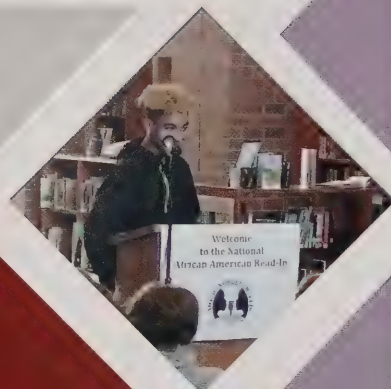

-Mr. and Mrs. Mehigan

You are brave, you are bold, you are beloved. Onward!

:) Ms. Wilson

Congratulations to you, Class of 2020!
I am impressed by your positivity, engagement, and perseverance. Big things are coming your way!

Wolverine Teacher Award

Awarded to **Jonas Sherr** in honor of Brendan Dillion for excellence in teaching

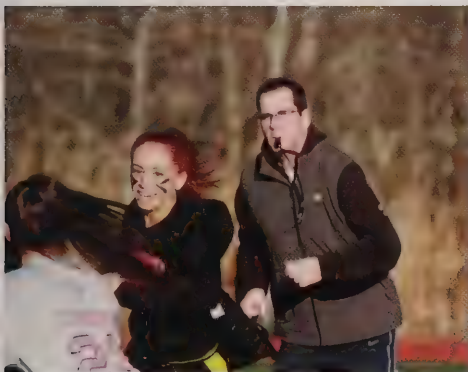

"He always helped me with my SIPP project when I needed it."

"He is such a nice teacher who always made class fun and interesting, and made you feel heard as a student."

"Mr. Sherr knows how to make learning fun and make us excited for his class each day."

"He is a very easy going, understanding teacher who wants to have a good time while learning just like all the kids did!"

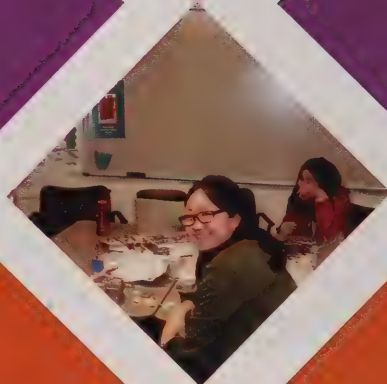

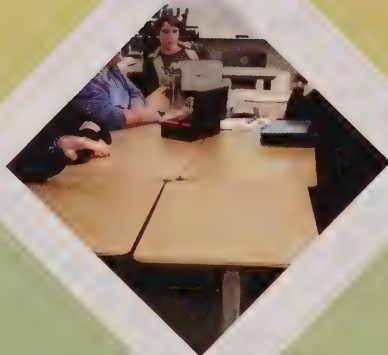

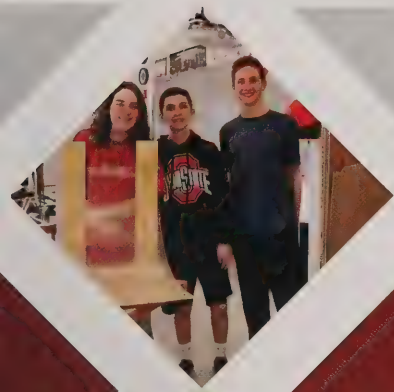

"If the fact that Mr. Sherr sent us handwritten cards after the AP Psych exam isn't evidence enough that he is a great teacher, then I don't know what is."

"Mr. Sherr made his passion for teaching clear every single day in through his positive encouragement of students. I will miss him and his class next year!"

"Mr. Sherr was always super caring, devoted, and kind. He always lifted his student's modds and made class interesting"

Well done to the most hardworking, creative, and driven group of young adults!

The yearbook staff adapted to the unprecedented journey of distance learning. They also took on the difficult challenge of virtually designing and producing the yearbook. Even though our time in the building was cut short, this yearbook staff came up with creative approaches to still showcase the school year. Losing dozens of pages and sections due to COVID 19 they rose to the challenge and produced an unforgettable 2020 Yearbook. Their positive attitudes, work ethic, and teamwork will take them far. We are so proud of all of them!

#whs.studentcouncil2020
entertained us daily!

Distance Learning

On March 13, 2020, the Westwood Public School district was told to stay home in order to stay safe from the COVID 19 Virus. Not knowing how long the stay at home order would be, students were equipped with chrome books to complete the remainder of the school year virtually.

This journey was completely new to teachers, students, and families. This began the first-ever Distance Learning model for the Westwood Public Schools. After a month, this new way of teaching and learning became the "norm". Students attended Google Meets and Zoom classes in place of walking the halls of the schools. The school year remained to be one of the most unique experiences for all involved.

As the school was closed and students were forced home, our learning never dozed.

We went online for the rest of the year as we tried to get in the all clear.

Distancing

What is social distancing?

- ◆ Two people with masks on 6 feet apart.
Limiting face-to-face contact with others is the best way to reduce the spread of coronavirus disease 2019 (COVID-19).
- ◆ Social distancing, also called “physical distancing,” means keeping space between yourself and other people outside of your home.
- ◆ To practice social or physical distancing stay at least 6 feet (about 2 arms’ length) from other people.

Dawnesha Dwyer-Young

Humble, Caring, Adventurous, Ambitious, Witty and Competitive are some of the words that describe you. As you get ready for College, remember to stay true to these words. Be humble enough to obey, you may give orders someday. The sky is not the limit, you can always go higher. Be the Best Version of Yourself that you can be. Last but not least remember to pray. You are loved and will always be in our hearts.

Love always,
Your Family

AYESHA TARIQ

Dearest Ayesha,

It has been wonderful
watching you grow into a

Sarah Roycroft

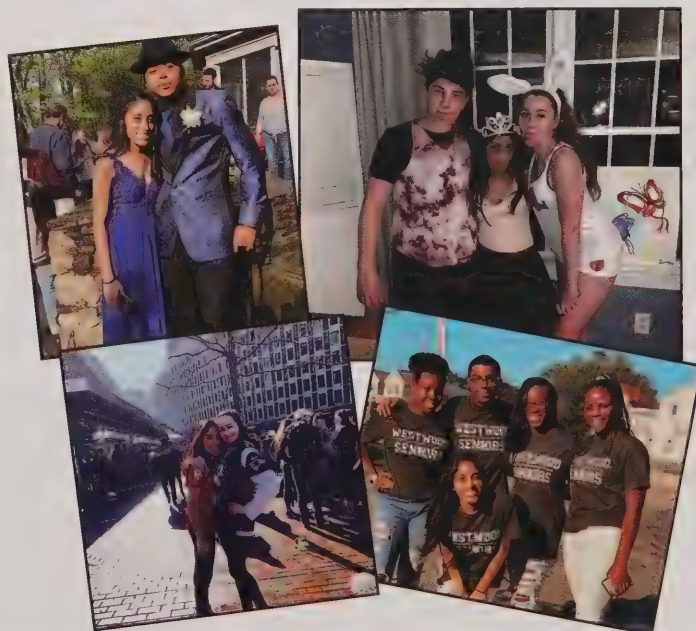

*My wish, for you, is that this life becomes all that you want it to,
Your dreams stay big, your worries stay small,
You never need to carry more than you can hold,
And while you're out there getting where you're getting to,
I hope you know somebody loves you, and wants the same things too,
